Who is your favorite Author and why?
Judy Blume.

What genre do you prefer to read?
I prefer to read fiction books.

Where do you learn about books you might want to read in the future?
I look for books in the school's library and if they look like they're good books, I check them out.

Where do you like to read best?
At my house.

When is your favorite time of the day to read and why?
In the afternoon or the morning because there is nothing to do.

Tales of a Fourth Grade Nothing is one of my favorite books because it is hilarious. The book is realistic fiction. The main characters are Peter, Mr. Hatcher, Mrs. Hatcher and Fudge. Fudge's real name is Farley Drexel Hatcher. The book is part of a series, it is the first book of the series. The setting is in New York in many places, including the park and the shoe store. Also, Fudge is really crazy! I think children ages 9-11 will like the book. The book is for people that like funny books and for everyone to enjoy. You should really read the book.
