School Counselor

“Lindsey is a reserved student who is always doing great things quietly. She is academically driven, but that isn’t what sets her apart from other. It wasn’t until a recent conversation with Lindsey that I found out that she has been knitting hats and scarves for cancer patients at the Seidman Cancer Center in Westlake. She does this in her spare time and was inspired to begin this venture when a close family member was diagnosed with cancer. Lindsey is a caring person who has a strong sense of empathy. She and her mother have also organized school supplies that are donated in local supply drives. Service is important to Lindsey and her family. Lindsey is a humble, determined student who finds enjoyment out of giving back.

Outside of school, Lindsey works at BDD Dance School and the Golden Bowl restaurant. Yet on top of work and keeping up with her academics, she finds time for service. She is also a huge Indians fan.”
